November 20, 2013.

Dear Ms, Carla Knull.

I am writing to you with concerns regarding my Saskatchewan Supplementary Health Coverage. As I am being refused coverage at point of entry. In example, I have had two dentists claim that my plan does not include coverage for fillings and that I am only covered for 2.5 Units of Hygiene per year and extractions.

Sincerely,

Timothy James Tremblay Ref # 2581999
