Case #2581999

Timothy Tremblay  
#403 – 510 Laurier Street  
MOOSE JAW, SK S6H 6X6

Dear Mr. Tremblay:

A medical report was issued out to you on November 16<sup>th</sup>, 2012 at your request. Based on your letter of November 21<sup>st</sup>, 2012 I believe that there may be some miscommunication so I would like to speak to that.

The special dietary need that you are presently receiving has to be reviewed every 12 months according to policy and will expire at the end of February 2013. In order to receive any special dietary need pass February 28<sup>th</sup>, 2013 the Ministry will require that a new medical report be submitted for review. I have requested that the medical report be submitted by January 31<sup>st</sup>, 2013 as March benefits are printed on February 20<sup>th</sup>, 2013 to avoid any possible delays in determining this need.

I hope that this letter has clarified the fact that you will receive your current dietary need until February 28<sup>th</sup>, 2013.

Sincerely,

Pat Wilson, B.S.W
